To Whom It May Concern:

This letter is to share with you that the South Western School District's elementary report card has been changed, and standard letter grades are no longer used in grades K-5. Due to this change, please note that a score of 3 shows that a student demonstrates a thorough understanding of the skills presented. The student is able to perform these skills consistently and independently.

By reviewing the student's report card, you will be able to determine if the child has satisfactorily met the requirements for his/her grade level during this trimester grading period.

If you have any questions, please contact Dr. Mary Kay Kelly, Elementary Supervisor, at 229-2930.

Respectfully,

A handwritten signature in cursive script that reads 'Mary Kay Kelly'.

Mary Kay Kelly, Ed.D.
Elementary Supervisor
